

Punjab government has entrusted LWMC with the cleanliness services of Metro bus service through a contract. LWMC is ensuring state of the art cleanliness at MBS 24/7 deploying 538 workers along with latest machinery for sweeping and washing. Special cleanliness arrangements are being ensured on 27 platforms, tracks, pedestrian bridges, stairs and auxiliary areas. Some 378 waste containers including bins and enclosures have been installed and placed in the premises of MBS. Furthered, cleanliness operations are regularly monitored by senior officials through field inspections
